Excerpts from the President's Report WTKCA AGM held Monday 12 May, 2014

This community is a great one in which to live. So many people help us during the year and people pitch in when they're needed. The Wagstaffe store under Keron and now Ray continues to give ongoing assistance by taking bookings for the tennis courts, handing over the Hall keys, and generally giving all round support. The Firies turn up to cook meals and to do a lot of heavy lifting. And other helpers rally round (and we like to think have a great time while doing so) when we have the Australia Day breakfast and Trash and Treasure, and we're always looking for younger (and older) people to work on the subgroups, join the Committee, and to generally give us their ideas. The Committee works tirelessly, particularly as I continue to be a well travelled President, so my thanks indeed to Fay, Roger, Robyn, Alex, Sarah, Helen, Graeme, and of course Ian as the Vice President. We pay tribute to all those who have helped us during the year, pay tribute also to those who have left the area (such as Michael and Joyce Rasic, and Richard Harper), and mourn those who have died (Gay Bull). The beautiful surroundings and the trees and the birds and the sea continue to delight us, and these things heal, but also inspire us to carry on the work on behalf of the community. So thank you all, and please join with the new Committee to carry out the projects you want, and to make this a better place in which to live and work, for all of us.

MEALS ON WHEELS

DISSOLUTION OF KILLCARE/WAGSTAFFE GROUP

As discussed and agreed by all members, our Group will disband with the last delivery by Anne and Tom Jackson on 30 June 2014.

Those of you who wish to continue with deliveries for Meals on Wheels should contact Lisa Saxon (Tel: 4357 8401) who is responsible for allocating people to suitable Sections.

Our Group has comprised local residents making deliveries in our area for over 40 years and it is sad to see it fade away. However, changing demographics and suitable alternatives for meals have resulted in a steady dwindling of clients in our area to the extent that we now have none.

At a rough estimate, I calculate the total number of years provided by you in your voluntary work for Meals on Wheels would be over 100. This is quite remarkable and you all deserve much credit for the valuable community service you have provided.

Thank you very much for your strong support to me as Group Co-ordinator over the last 12 years.

We have also been lucky enough to secure the services of the Bouddi Band on Saturday, so weather permitting it will be a lovely opportunity to enjoy the Show and some entertainment.

There will be a raffle, to which all local businesses have donated prizes and this will be drawn on the Sunday afternoon.

**FERRY REVERSAL**

A reminder to all that the Wagstaffe-Palm Beach ferry service now allows us to spend time at Ettalong and area by going over on early ferries and then returning on either the 1220 or 1620 hours services. Visit the doctor, the dentist, the physio or the picture theatre, have a coffee and a walk along the beach. So make use of the changed ferry times so that the reverse trips remain and we can continue to enjoy an 'overseas trip' from our local area!!

**OXFAM TRAILWALKER****Challenge Comes to the Peninsular**

By Friday 22 August, locals Di, from Killcare, and Wagstaffe's Bronwyn and Monica, aim to be fit enough to finish the whole 100km Oxfam Trailwalker and it has to be done in not a minute more than 48 hours, even if that means walking through the night. The local team - plus Sydney friend Sue Milthorpe - is called "500,000 Steps for Humanity". Training on the track, the team is walking more than 30 km a day, often doubling up the next day to cover extra distance. They estimate they will have walked more than 1,000 km each in training alone, before the actual event. We will post details of how you can sponsor the team in the next TT.

Change of Date for the Italian Cafe Evening

Ginni is organising the event and so we don't clash with other activities, the date is now Saturday July 5 from 4.30pm. Ginni has developed the idea from her travels to Italy where she experienced village communities coming together with food and drink. The area in front of the store will be transformed into the Wagstaffe Village Piazza for a community Winter celebration. There will be a strolling musician to provide the Italian feel. There's no charge and if you'd like to participate please bring along dishes with an Italian flavour and of course drinks. Whether you are from Killcare, Hardy's Bay, Pretty Beach or Wagstaffe, this will be a nice event for the community to engage, catch up with friends, welcome the new and reacquaint with long termers. Please let Ginni or the store staff know if you intend to participate so that we can organise tables.

BOOK LAUNCH - Lock in the date**HARDYS BAY RSL**

Due to circumstances beyond our control, the date of the Club EGM was put back to Sunday 29th June at 10am. We apologise if this has inconvenienced anyone.

There is free live music at the club on Friday nights at 7pm, and on the deck from 1pm on Sundays. The Moving Stills, a great young local band will be playing at the club on the Saturday of the long weekend, 7th June.

The club will also open on the three Wednesday evenings with State of Origin match fixtures - with free party pies at half time. Go the Blues!!

Renovations have commenced on the Club, and already there are noticeable improvements. A new roof covers the deck area with much improved lighting, and an ATM will be installed by May 30th. For sport lovers, Foxtel is about to be installed, and Friday night meat raffles are back and very popular again.

Thanks to all who have supported us through the tough times, the future is now looking much improved

RECIPE FOR LIFE

Recently, Wagstaffe saw the launch of the "Strong Women" exercise - focusing on women with children keen to strengthen their minds and bodies.

"Fitness For Grown-up" at Putty Beach soon followed. An exercise group for the over 50's looking to improve all round strength and connect with like minded people.

"Dawn Breakers" is a group I'm keen to get underway at Killcare Beach. Dedicated to all the crazies that love to kick start the day at 6am.

Jacqui Payne is my name and my focus, as a Professional Trainer, is promoting healthy living by exercising the body and the mind.
