2024 Bush Fire Season Community Meeting

Thursday 14th November • 7pm

Hardy's Bay Club, 14 Heath Road

Come along to hear about the current bush fire seasonal outlook for our
community, see simulations of how fire can impact our area and discuss
how we can all take steps to minimise our risk.

We'll cover tips and tricks for preparing yourself, your family and your pets
for the bush fire season.

We can provide advice on what you should consider when deciding if you'll
leave early or stay and defend your property.

VALE Beryl Hughes

It is with sadness that I share the news of Beryl's death
with the community that she cared so much about.
Beryl died on September 10. She turned 100 in April.
We celebrated her 100th birthday in the June edition of
TT. Beryl spent her last years with her loving family at
Woy Woy. She will be missed.

**President's Notes**

This pathway was made possible by the generous contribution from Fay Gunthers estate, but made to happen through the mutual support of the Kiosk, KSLSC and WTKCA. The Association also contributed funds to the project, and took the lead in the planning and approvals process. The original plan also intended to reduce the steep slope to the dune in front of the kiosk and to add support to the steps down to the beach. Council are still not acting on this despite offers to co-fund the works. We will keep pressing to make this area even more functional.

RECORD SALES AT BOUDDI ART SHOW

The Bouddi Society would like to thank the 28 exhibiting artists and the local community who helped to make the Bouddi Art Show over the October long weekend such a success. This great success highlights the talent represented by the artists in our area. There were record sales of \$17,600

giving the Bouddi Society a profit of \$5,700. These funds will go toward covering the administrative expenses of the Bouddi Foundation for the Arts. Special thanks go to the kind generosity of Bunnings, Words on the Waves Writers Festival and Mac's Beach Cafe who all contributed prizes to the raffle.

BOUDDI ARCHITECTURE TALK with STEVE ANDERS

Many people came along to enjoy hearing about the history of our local houses, some of them famous. Steve Anders brought the subject to life with his information, photos and wonderful sketches.

And the treasurer, John Stedman says, "Another great result. The last two Bouddi Society events have produced surpluses: \$5,760.08 for the Art Show and now a further \$2,052.43 for the Steve Anders talk."

A marvellous finish for our events this year. It means the Bouddi Society is happy to give \$5000 to the Foundation for the Arts to cover costs.

Wow! A fantastic 2024 Bouddi Peninsula Arts Trail.

The Bouddi Peninsula Arts Trail held over the October long weekend has become a favourite with locals and visitors alike; some artists reported over 300 visitors to their studios. There is a lovely sense of community and a relaxed, friendly vibe. Thank you to all the lovely people who took the time to come and visit, allowing us the opportunity to share our art with you. The area was buzzing with literally hundreds of visitors taking in the trail and the ever popular Bouddi Art Show at Wagstaffe Hall. A big win for the whole community with the additional visitors to the area, not only supporting the arts but our other local businesses. So ... a huge thank you to our sponsors, Ray White and the Fat Goose at Killcare Thank you to WTKCA for the support in the "Talking Turkey" and its distributors, our local radio stations that promoted us, fabulous Central Coast News Coast Publishing and all local businesses that pushed and promoted the trail - thank you. See you next year!
